CERTIFICATE OF PARTICIPATION

This Certificate is awarded to

for participation in

The Voluntary Observing Ships Scheme Climate Project (VOSCLIM)

Observational data received from ships participating in the VOSCLIM Project are highly valued by the international scientific community for climate research and climate change studies.

The data make a significant contribution to IOC and WMO Programmes for the monitoring and protection of the oceans and atmosphere, and in particular for monitoring, research and prediction of the global climate system.

M. Jarraud
for Secretary-General
WMO

P. Bernal
Executive Secretary
