For No(1).

Yes, My department is not development for the modeling. But we use the WRF modeling only. So, we need cooperation with international programs regarding the implementation of systems.

For No(2)

My department have not utilited the observery systems in Eastern Asia Region. for improving typhoon track and intensity forecast. But, we are used the web site (ECMWF, IMD, CIMSS, KMA, JMA etc.) We need the cooperation with International programs.
