

TWENTY-NINTH SESSION OF THE EXECUTIVE COUNCIL
Geneva, 26 May -15 June 1977
ABRIDGED REPORT WITH RESOLUTION
WMO – No. 483

Res. 3 (EC-XXIX) – REPORT OF THE XTRAPRDINARY SESSION (1976) OF THE COMMISSION FOR
BASIX SYSTEMS

THE EXECUTIVE COUCIL,
HAVING CONSIDERING the abridged final report of the extraordinary session of the Commission for Basic
Systems,

DECIDES:

- (1) To note the report;
- (2) To note the Resolution 1 (CBS-Ext. (76));
- (3) To take actions on the recommendations as follows:

Recommendation 7 (CBS-Ext. (76)) – Code for reporting data from drifting buoys (DRIBU)

Recommendation 8 (CBS-Ext. (76)) – International identifier systems for environmental data buoy stations

- (a) Endorses the President's approval od these recommendations in accordance with Regulation 9 (5) of the WMO General Regulations;
- (b) Confirms that the above code forms come into force on 1 July 1977;
- (c) Confirms that the above amendments to the Manual on the Global Telecommunication System be implemented as soon as possible but not later that 1 July 1977;
- (d) Requests the Secretary-General:

- (i) To include the codes included in Recommendations 2, 3 and 4 (CBS-Ext. (76)) in Volume I of WMO Publication No, 306 – Manual on Codes;
- (ii) To publish the codes included in Recommendations 5, 6 and 7 (CBS-Ext. (76)) for use during the First GARP Global Experiment;
- (iii) To arrange, as a matter of urgency, in consultation with IOC, as required:
 - For the promulgation of the international identifier system, included in Recommendation 8 (CBS-Ext. (76));
 - To carry out the administrative work relating to the management of the international identifier system;
- (iv) To include the amendments included in Recommendations 19, 21, 22 and 23 (CBS-Ext. (76)) in Volume I – Global Aspects of the Manual on the Global Telecommunication System;

Recommendation 9 (CBS-Ext. (76)) – Amendments to marine codes

- (a) Approve this recommendation;
- (b) Decides that the above amendments to marine codes come into force on 1 January 1979;
- (c) Requests the Secretary-General to arrange for the necessary amendments to be included in Volume I of the Manual on Codes;

Recommendation 12 (CBS-Ext. (76)) – Revision of the notes on Codes FM 11-V, FM 14-V and FM 24-V

- (a) Approve this recommendation;
- (b) Decides that the above extension, amendments and revision of the notes concerning the different code forms come into force on 1 January 1978;
- (c) Requests the Secretary-General to arrange for the necessary amendments to be included in Volume I of the Manual on Codes;
