Dear Sir/Madam,

The next annual Informal Planning Meeting (IPM) on the WMO Voluntary Cooperation Programme (VCP) and related technical cooperation programmes will be held in Mexico City on 6 and 7 March 2012. The Meeting will follow the 135th Anniversary Celebrations of the National Weather Service of Mexico on 5 March, to which IPM participants are also invited on behalf of the Permanent Representative of Mexico with WMO, Mr Felipe Adrian Vazquez Galvez, and the Secretary of Environment Mr Juan Rafael Quesada.

The provisional agenda of the IPM is attached for your information. Please inform us as soon as possible if you have any items to add to the agenda.

In view of the generous support of your organization to cooperation activities and taking into account the importance of the coordination and development of VCP and related cooperation activities, I have pleasure in inviting you or your representative to participate in this meeting. As in the past, it is expected that participants will meet their own travel and subsistence expenses. The meeting will be convened in English and the documents will be posted on the WMO VCP web page in due course at:

<http://www.wmo.int/pages/prog/dra/vcp/eventsandmeetings.php>

In the event that you do not usually, or cannot this year, participate in the IPM, it would nonetheless be appreciated if you could provide a brief report of your development assistance activities to the Secretariat. This will feature in the IPM documentation in order to allow us to obtain a wider perspective on assistance flowing between WMO Members, and seek opportunities for synergy and value adding for the benefit of our Members who are challenged to deliver the products and services necessary to support their governments and communities.

To: Permanent Representatives of Members of WMO (limited distribution)

cc: Permanent Missions of these Members to the Office of the United Nations)

Consequently, to assist with preparations for the meeting, I would like to request you to provide the Secretariat with information on:

- (a) A summary report on the VCP technical cooperation activities carried out by your country in 2011 and prospects for 2012;
- (b) A brief summary of related bilateral/multilateral technical cooperation activities;
- (c) The estimated financial value of those contributions for VCP in 2011 (USD) through the VCP-Equipment and Services (VCP(ES)), Training/Fellowships and also equipment and services by bilateral/multilateral arrangements.

Reports should be sent electronically to Ms Mary Power (MPower@wmo.int) and Ms Salla Himberg (SHimberg@wmo.int).

It would be highly appreciated if you could let me know of your participation in the meeting and forward to me the information on the contributions of your country by **1 February 2012**.

Yours faithfully,

(M. Jarraud)
Secretary-General
