NOTE

The designations employed in WMO publications and the presentation of material in this publication do not imply the expression of any opinion whatsoever on the part of the Secretariat of WMO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries.

Opinions expressed in WMO publications are those of the authors and do not necessarily reflect those of WMO. The mention of specific companies or products does not imply that they are endorsed or recommended by WMO in preference to others of a similar nature which are not mentioned or advertised.

This document (or report) is not an official publication of WMO and has not been subjected to its standard editorial procedures. The views expressed herein do not necessarily have the endorsement of the Organization.

TABLE OF CONTENTS

1	INTRODUCTION AND GENERAL BACKGROUND.....	2
1.1	Overview of hazards and vulnerability.....	2
1.2	Hyogo Framework.....	2
1.3	Disaster Risk Management.....	3
1.3.1	Governance.....	3
1.3.2	DRR Coordination Mechanisms.....	4
1.3.3	Risk identification and Assessment.....	4
1.3.4	Risk Reduction.....	4
1.3.5	Risk Transfer.....	5
1.3.6	Knowledge Sharing and Training.....	5
1.3.7	Climate change.....	6
1.4	Role of NMHSs in DRR.....	6
1.5	WMO and the DRR Programme.....	6
2	The WMO Disaster Risk Reduction Country-level Survey.....	10
2.1	The Structure of the Survey.....	10
2.2	Survey Response.....	10
2.3	Approach to analysis and the survey database.....	11
2.3.1	Approach to analysis.....	11
2.3.2	Survey Database.....	11
2.4	Report Objectives.....	11
2.5	Report Structure.....	12
3	Global Analysis.....	16
3.1	The National Context.....	16
3.2	Hazards and Hazard Databases.....	16
3.3	The Internal Capacities of NMHSs.....	17
3.4	Identified Needs for Support from WMO.....	17
3.5	Common Gap Areas of NMHS in Relation to Disaster Risk Reduction.....	17
4	AFRICA (WMO Regional Association I).....	21
4.1	Abstract.....	21
4.2	Response to the Survey in Africa.....	23
4.3	Hazards affecting Countries in Africa.....	23
4.3.1	Access to Data on Hazards and their Impacts.....	23
4.3.2	Value Added Services based on Historical Hazard Data.....	24
4.4	The National Context for Disaster Risk Reduction.....	24
4.4.1	Legislation and Governance.....	25
4.4.2	National Structures/Mechanisms for Disaster Risk Reduction.....	25
4.4.3	Contributions of NMHS to National Disaster Risk Reduction Structures/Mechanisms.....	26
4.4.4	NMHS Collaboration with other Partners.....	26
4.4.5	The Organization and Priorities of NMHSs in Africa.....	27
4.4.6	Operational Coordination between NMSs and NHSs.....	28
4.5	NMHSs Infrastructure, Products and Services.....	28
4.5.1	Observation and Monitoring Networks and Systems.....	28
4.5.2	Telecommunications and Informatics.....	29
4.5.3	Data Exchange.....	29
4.5.4	Forecast and Warning Capability.....	30
4.5.5	Forecast and Warning Products.....	30
4.5.6	Coordination of Warnings.....	32
4.5.7	Products and Services for Selected Socio-Economic Sectors.....	32
4.5.8	Dissemination Systems and Target Audiences.....	33
4.5.9	Product Utility and Product Improvement.....	34
4.5.10	Internal NMHS Training and Capacity Enhancement.....	34
4.5.11	Outreach Activities.....	35
4.5.12	NMHS Contingency Planning.....	36
4.6	Overarching Factors.....	36

4.6.1	NMHS Visibility.....	36
4.6.2	Organization and Governance	36
4.6.3	Coordination and Partnership.....	37
4.6.4	Resources and Capacity	37
4.7	WMO Support.....	37
4.8	Sub-Regional Considerations.....	37
4.8.1	Least Developed Countries in Africa.....	37
4.9	Concluding Assessments for Africa.....	39
4.9.1	Access to Data on Hazards and their Impacts (Ref. 4.3.1)	39
4.9.2	Value Added Services based on Historical Hazard Data (Ref. 4.3.2).....	39
4.9.3	Legislation and Governance (Ref. 4.4.1).....	39
4.9.4	National Structures/Mechanisms for Disaster Risk Reduction (Ref. 4.4.2).....	39
4.9.5	Contributions of NMHS to National Disaster Risk Reduction Systems (Ref. 4.4.3).....	39
4.9.6	NMHS Collaboration with other Partners (Ref. 4.4.4).....	40
4.9.7	The Organization and Priorities of NMHSs in Africa (Ref. 4.4.5).....	40
4.9.8	Operational Coordination between NMSs and NHSs (Ref. 4.4.6)	40
4.9.9	Observation and Monitoring Networks and Systems (Ref. 4.5.1)	40
4.9.10	Telecommunications and Informatics (Ref. 4.5.2)	40
4.9.11	Data Exchange (Ref. 4.5.3).....	41
4.9.12	Forecast and Warning Capability (Ref. 4.5.4)	41
4.9.13	Forecast and Warning Products (Ref. 4.5.5)	41
4.9.14	Coordination of Warnings (Ref. 4.5.6).....	41
4.9.15	Products and Services for Selected Socio-Economic Sectors (Ref. 4.5.6)	41
4.9.16	Dissemination Systems and Target Audiences (Ref. 4.5.8)	42
4.9.17	Product Utility and Product Improvement (Ref. 4.5.9)	42
4.9.18	Internal NMHS Training and Capacity Enhancement (Ref. 4.5.10)	42
4.9.19	Outreach Activities (Ref. 4.5.11)	42
4.9.20	NMHS Contingency Planning (Ref. 4.5.12)	43
4.9.21	WMO Support (Ref. 4.7).....	43
4.10	Region-wide Capacities and Resources.....	43
5	ASIA (WMO Regional Association II)	46
5.1	Abstract.....	46
5.2	The Response to the Survey	48
