

Travel Maps & Accommodations

WMO ET-GDDP Meeting

NCAR Mesa Lab VisLab, Boulder, CO, USA

November 28 – December 2, 2011

Lodging

The preferred hotel will be the [Residence Inn Hotel](#) in Boulder at a rate of \$109/night (plus tax of approximately 10.25%). This is the UCAR contracted rate. The room rate includes a continental breakfast and high speed internet service. The room block is being held November 27 – December 2, 2011 .

***Please note, these rooms are not guaranteed until you reserve with your credit card and are subject to hotel availability. It is suggested you make your hotel reservations by October 27, 2011 to guarantee a room.**

Please contact Jennifer Ford directly, jennifer.ford@marriott.com and mention the name UCAR when reserving your room.

Transportation

Denver is home to the beautiful [Denver International Airport](#), an expansive and streamlined facility completed in 1995. This airport handles more than 30 million visitors a year and is a destination for numerous airlines, including Air Canada, Alaska, American, British Airways, Continental, Delta, Frontier, JetBlue, Lufthansa, Northwest, and United.

NCAR facilities are about 40 miles from DIA, a drive of less than an hour using the newly completed E-470 tollway.

A variety of transportation services to and from Denver International Airport are available for all your ground transportation needs. Options include public transit, scheduled door-to-door shuttle van service, charter buses, limousines, rental cars, taxicabs, hotel courtesy shuttles and wheelchair services. For more information, see the [DIA Ground Transportation](#) web page or contact the Ground Transportation Information Counter (Level 5 of the main terminal) at 1-800-AIR-2DEN or locally at 303-342-4059.

When you arrive at Denver International Airport (DIA):

- [Boulder Super Shuttle](#)
- [RTD "Skyride" \(bus\)](#)
- [Boulder Yellow Cab](#)

SuperShuttle:

The SuperShuttle goes back and forth between Boulder hotels and Denver International Airport all day. The SuperShuttle will drop you off at any Boulder hotel. For pickup from your hotel and transport to DIA, most locations will require a reservation. The Millennium is one exception; it is a regular stop in both directions. For more information, call 303-227-0000. The SuperShuttle desk is located on Baggage Claim Level 5 in DIA.

Rental Cars:

Rental car agencies are also located on level 5 of DIA.

UCAR Shuttle: If you choose not to rent a car, we have a UCAR shuttle service that leaves several locations throughout Boulder and one is located right in front of our CG1 campus, across the street from The Residence Inn. Please choose the Foothills Lab to Mesa Lab directions and times located at the link provided here: <http://www.fin.ucar.edu/sass/transport/shuttle-cg.html>
