

Geneva, Switzerland, 2-5 December, 2014

## PROVISIONAL ANNOTATED AGENDA

### 1. Opening and Organisation of the Session

The Chair of the Expert Team will facilitate the finalisation and adoption of the working arrangements for the session. It is expected that the session will be conducted partly in plenary and partly in small groups based on the requirements for finalising the work of the sub-group. The documents relating to the session will be in provided English only. The session will be conducted in English.

### 2. Revision of Preparatory Work of the ET-ABO Sub-Group on Regulatory Material

The Chair of the Expert Team will present a summary on the work conducted by the sub-group in the lead up to the session and will outline the requirements for finalisation of the work during the session.

### 3. Presentation of Draft Regulatory Material

Members of the sub-group will present the draft regulatory materials that have been prepared and submitted for consideration and revision.

### 4. Revision of Draft Regulatory Material

Members of the sub-group will work in smaller groups or in plenary to revise and finalise draft regulatory materials to be included in the final report of the session and to be submitted to CBS for consideration and for adoption as approved WMO regulatory material.

### 5. Any Other Business

The meeting will consider any other matters related to the work of the sub-group and raised before or during the session.

### 6. Final Report of the Session

The draft Final Report of the Session will be compiled by the sub-group.
