On the motorway E40 (Brussels-Liège), you take exit 21 (Sterrebeek/Nossegem). Then follow the N227 direction Nossegem/Mechelen. At the first traffic lights (Nossegem junction), just continue straight on for about three kilometers. You will then arrive at a roundabout where you have to turn left to access the Belgocontrol site. This entrance will allow you to access all parking lots of the different buildings of the Belgocontrol site.

If you are not coming from the highway:

- Follow the Chaussée de Louvain / Leuvensesteenweg. At the Nossegem junction take the N227 direction Malines / Mechelen
- Or you can also follow the Chaussée de Haecht / Haechtsesteenweg to join the N227b direction Waterloo. Then turn right at the second roundabout.
