

Brussels Airport:

Average walking time from station platform to car park P14: 3 minutes.

On the station platform, follow the direction "Airport" and go to level 0 to arrive at bus parking P14.

Our shuttle is situated on the right-hand side, near the "De Lijn" busses and the "Brussels Airport Express" bus (see pictures) on one of the outside parking spaces.

A Belgocontrol signpost will show you the way to follow. Our shuttle is a white Mercedes Sprinter easily recognizable by a panel with the Belgocontrol logo placed behind the front-window.

Vilvoorde:

Average walking time from the station platform to car park: 2 minutes.

Follow the direction "Parking" / Luchthavenlaan.

The shuttle, a white Ford Transit with the Eurobussing logo or with the SNBA colours, will wait for you at the scheduled time at the exit of the pedestrian passage or on one of the parallel avenues (see pictures). A Belgocontrol signpost will direct you to the vehicle.

Owing to parking problems around the Vilvoorde station and for travel comfort, vehicle seats are limited to 16.

Kortenberg:

Average walking time from the station platform to car park "Hertog Jan II laan": 1 minute.

Follow the direction "Parking fietsen" / Hertog Jan II laan. The shuttle, a grey Renault Master of Belgocontrol (15 seats) will wait for you near to the bicycle shed (see pictures). These shuttle services are provided by our drivers.
