 From: Mr. **Wen Kegang**, PR of China with WMO
 Fax No: 86 10 62174797
 To: Prof. **G.O.P Obasi**, Secretary-general of WMO
 Fax No: 41 22 730 8181

Dear Prof. Obasi,

Reference is made to your letter (ref: W/BAS/DATATEXCH) dated 29 April 1999 concerning the implementation of Resolution 40 (Cg-XII)—WMO policy and practice for the exchange of meteorological and related data and products including guidelines on relationships in commercial meteorological activities.

It is my pleasure to send you herewith the list of “additional” data and products with conditions from the China Meteorological Administration for your information.

I hope that these lists and conditions could be useful to WMO.

With best personal regards.

Yours sincerely,

(Wen kegang)

PR of China with WMO

**Generic conditions applicable
to the CMA's "additional" data and products**

1. "Additional" data and products could only be used by Members of WMO within the scope of basic operational meteorological services by their governmental meteorological agencies and should not be transferred to third parties.
2. Permission must be sought before using the additional data in the commercial activities.
3. Foreign companies must pay for the additional data and products when using them in commercial services. The China Meteorological Administration will formulate the regulations.
4. The "additional" data and products can not be exported to third parties.
