Subject

Essential data according to WMO Resolution 40 (WMO-CgXII)

Dear Mr. Jarraud,

DEAR NICHEL,

Herewith I inform you that all Netherlands synoptic data are to be considered essential as in compliance with WMO Resolution 40. As a consequence there will be no additional data from The Netherlands any longer.

I kindly ask you to delete the list of Netherlands additional data on your website under OIS (ADDITIONAL DATA AND PRODUCTS), with effect from the 1 January 2009.

Yours sincerely,

Dr. F.J.J. Brouwer, Director General
Permanent Representative of The Netherlands with WMO
