Subject: Essential data according to WMO Resolution 40 (WMO-CgXII)

Dear Mr Secretary General,

I am pleased to inform you that all Norwegian synoptic data are to be considered as essential in the meaning of WMO Resolution 40, consequently there will be no additional data from Norway any longer.

Would you therefore please delete the list of Norwegian additional data published on your web under OIS, with immediate effect.

Yours sincerely

Anton Eliassen

Permanent Representative of Norway with WMO
