CERTIFICATES OF RECOGNITION

INTRODUCTION

1. During CBS-15, certificates of recognition were awarded to those who had participated in the work of CBS since the previous full session. There were three levels of certificate for individuals: contribution, leadership and outstanding. In addition, countries received a certificate listing their experts.
2. The criteria for certificates were:
 - 2.1. Outstanding: either a specific set of achievements or a lifetime contribution. Supporting text is required, including a citation for the certificate. These were signed by SG and President CBS.
 - 2.2. Leadership: given to chairs and co-chairs of OPAGs and expert teams (provided they have contributed satisfactorily in that role)
 - 2.3. Contribution: given to members of expert teams who have contributed actively during the inter-sessional period.
 - 2.4. Country: given to each country that provided active experts: all experts from the country receiving certificates are listed.
3. Examples of certificates are in Annex 1.
